

Supporting The Center

The magic of the NPAC is ever evolving. The center offers a variety of entertainment for all ages from musicals to dance, concerts to lectures, and much, much more. The mission of the Van Wert Area Performing Arts Foundation is to inspire, educate and entertain, as well as provide an economic impact, and by its design, the center impacts thousands of local residents, regional guests and area students. Please join us in ensuring continued growth of the arts in Northwest Ohio. Ticket sales alone do not cover all the expenses and operating costs of the Performing Arts Center. You can be part of the success of the NPAC by becoming a member with a tax deductible gift. These additional dollars will be used for operational expenses as well as helping ensure the ability to provide this region with outstanding entertainment and a facility that enriches the lives of all throughout the region. Please consider supporting the NPAC and impact this and future generations of artists and art enthusiasts!
